Name of father, guardian, partner signature, clarification of name and e-mail address

The form must be returned to the Financial Administration within two weeks of the start of early childhood education, otherwise the fee may be charged to the highest fee with the missing income information.  
A fee decision based on missing income information will not be corrected retroactively. The customer fee is charged from the start date of early childhood education in accordance with the early childhood education decision.  
Changes in income and family size must be reported immediately.

More information on payments can be found on the City of Espoo's website Education and Teaching / Early Childhood Education / Early Childhood Education Fees

The information on the form will be saved in the early childhood education system. The file descriptions of the City of Espoo as required by the EU General Data Protection Regulation (2016/679) are available: City of Espoo/Data protection
