

How to log in to eVaka

evaka

These instructions show how guardians can create an eVaka user ID.

Log in to eVaka:
espoonvarhaiskasvatus.fi

 **evaka** EN 

City of Espoo early childhood education

Sign in with username

Take care of your child's daily early childhood education affairs in eVaka. 

Log in

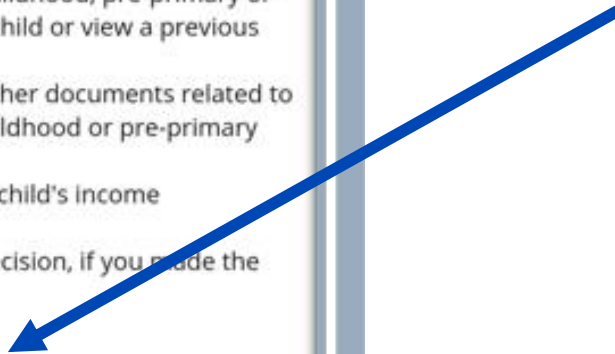

Sign in using Suomi.fi

By using strong suomi.fi-authentication in eVaka, you can 

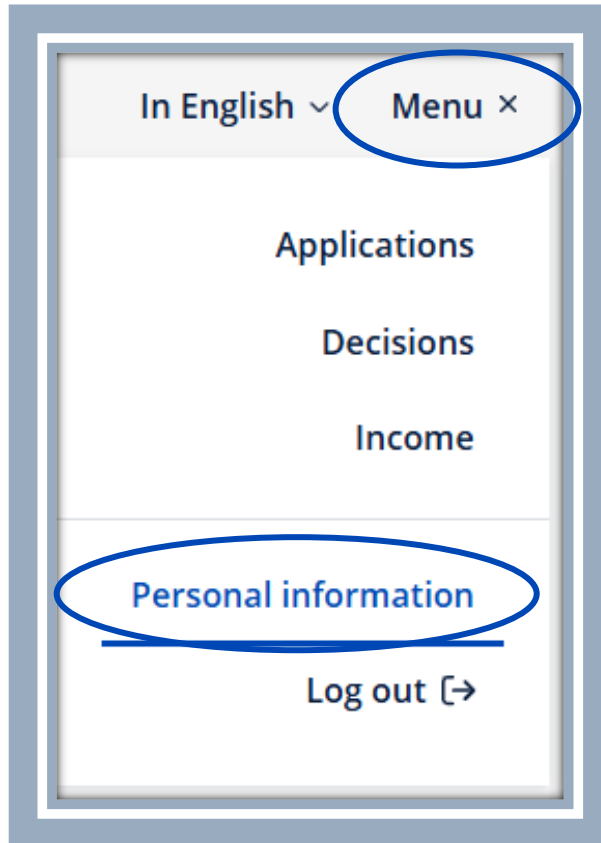

- apply for an early childhood, pre-primary or club place for your child or view a previous application
- view pictures and other documents related to your child's early childhood or pre-primary education
- report your or your child's income information
- accept or reject a decision, if you made the application

Authenticate

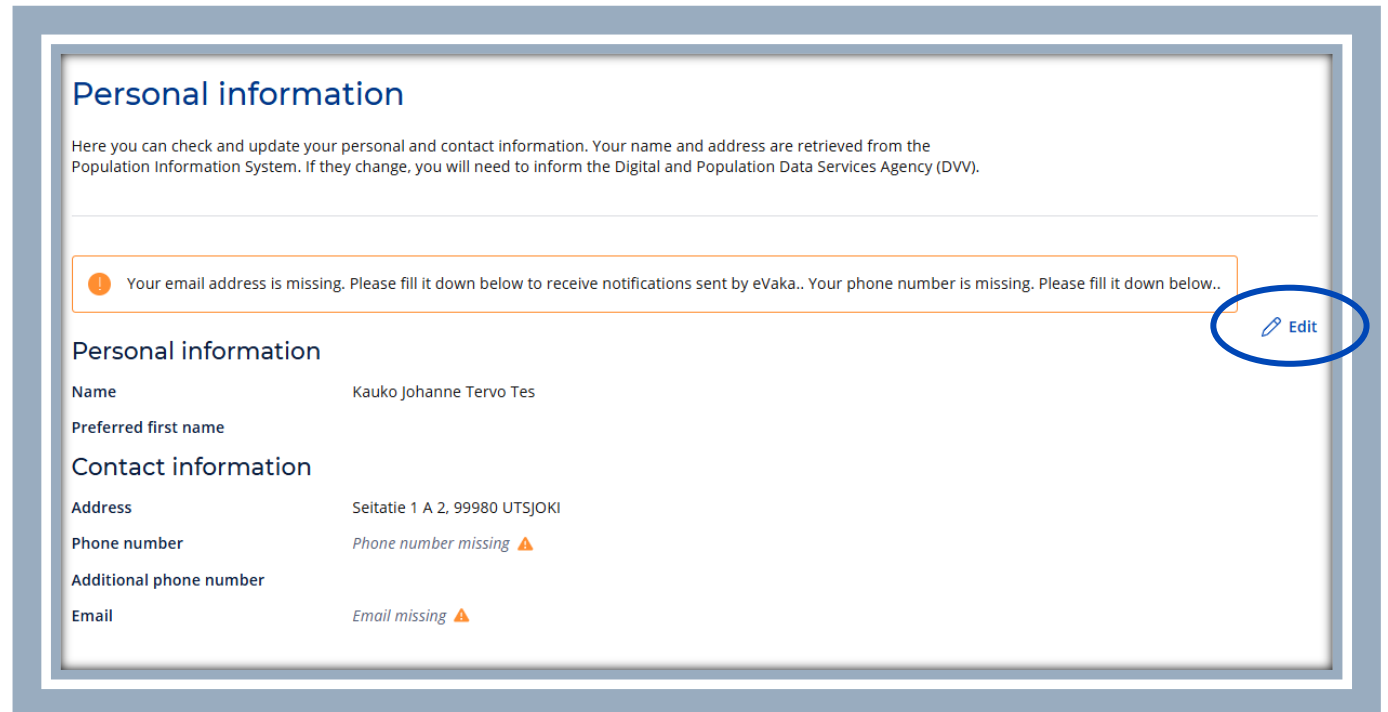

Select 'Authenticate'.

Select "Personal information".

If your phone number and email address are not in the system, you can add them by selecting 'Edit'.

A screenshot of the 'Personal information' page. The title 'Personal information' is at the top. Below it is a paragraph: 'Here you can check and update your personal and contact information. Your name and address are retrieved from the Population Information System. If they change, you will need to inform the Digital and Population Data Services Agency (DVV)'. A warning box with an orange exclamation mark icon contains the text: 'Your email address is missing. Please fill it down below to receive notifications sent by eVaka.. Your phone number is missing. Please fill it down below..'. Below the warning box, there are two sections: 'Personal information' and 'Contact information'. The 'Personal information' section includes fields for 'Name' (Kauko Johanne Tervo Tes) and 'Preferred first name'. The 'Contact information' section includes fields for 'Address' (Seitatie 1 A 2, 99980 UTSJOKI), 'Phone number' (Phone number missing with an orange triangle icon), 'Additional phone number', and 'Email' (Email missing with an orange triangle icon). An 'Edit' button with a pencil icon is located in the top right corner of the page and is highlighted with a blue oval.

Select ‘Verify email’, after which the system asks you to enter a verification code.

Verify

You can change your password by logging in to eVaka using strong identification.
 Select 'Personal information'.

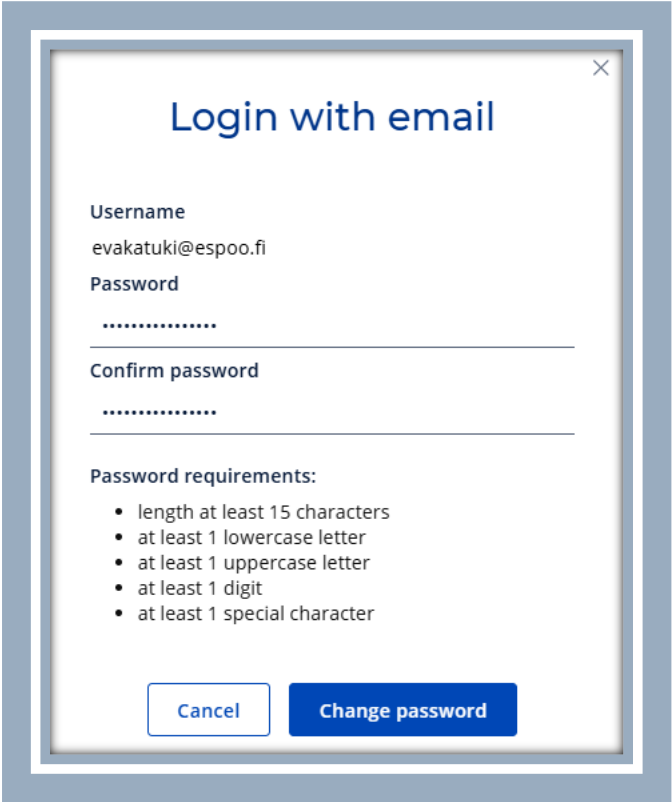

The screenshot shows the eVaka user interface. At the top, there is a language selector 'In English' and a 'Menu' button, both circled in blue. Below the menu, there are links for 'Applications', 'Decisions', and 'Income'. At the bottom, the 'Personal information' link is circled in blue, and there is a 'Log out' button with an external link icon.

Select 'Change password'.

The screenshot shows the 'Login information' page. It displays the login method 'Login with email', the username 'evakatuki@espoo.fi', and a masked password '*****'. The 'Change password' link is circled in blue.

Please note the password requirements.

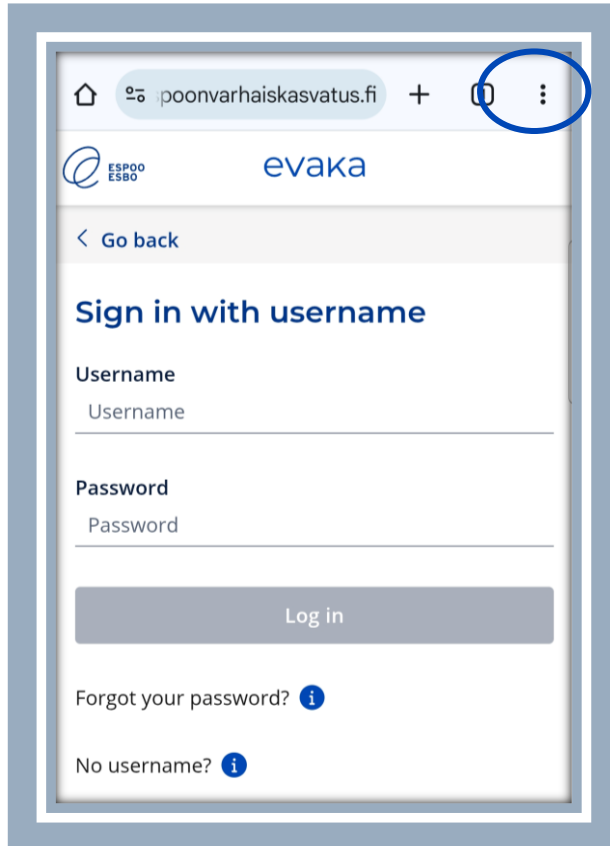

The screenshot shows the 'Login with email' password change form. It includes fields for 'Username' (evakatuki@espoo.fi), 'Password' (masked), and 'Confirm password' (masked). Below these fields, the 'Password requirements' are listed:

- length at least 15 characters
- at least 1 lowercase letter
- at least 1 uppercase letter
- at least 1 digit
- at least 1 special character

 At the bottom, there are 'Cancel' and 'Change password' buttons.

Add a shortcut to your home screen (Android)

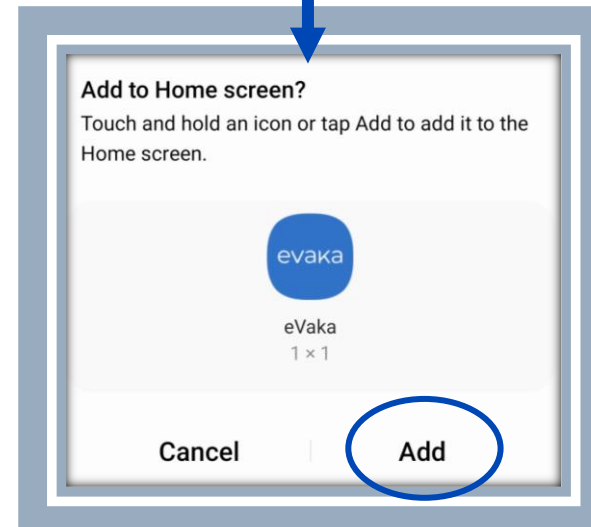

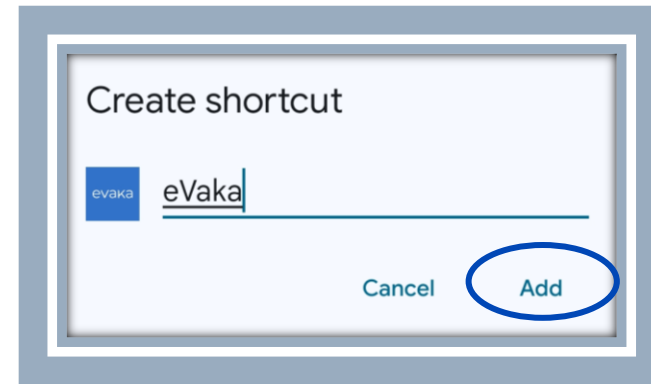

1. Tap the three dots at the top of the screen. The location of the menu may vary depending on the browser.

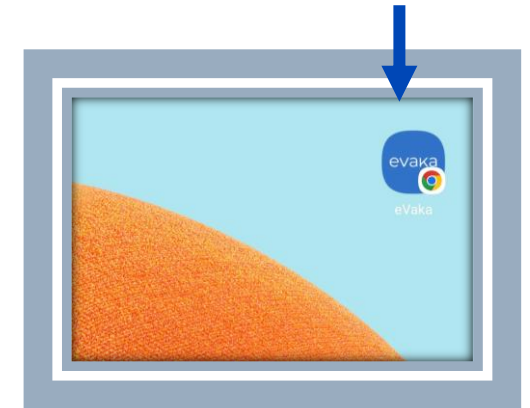

2. Select 'Add to home screen'.

3. Name the shortcut. Select 'Add'.

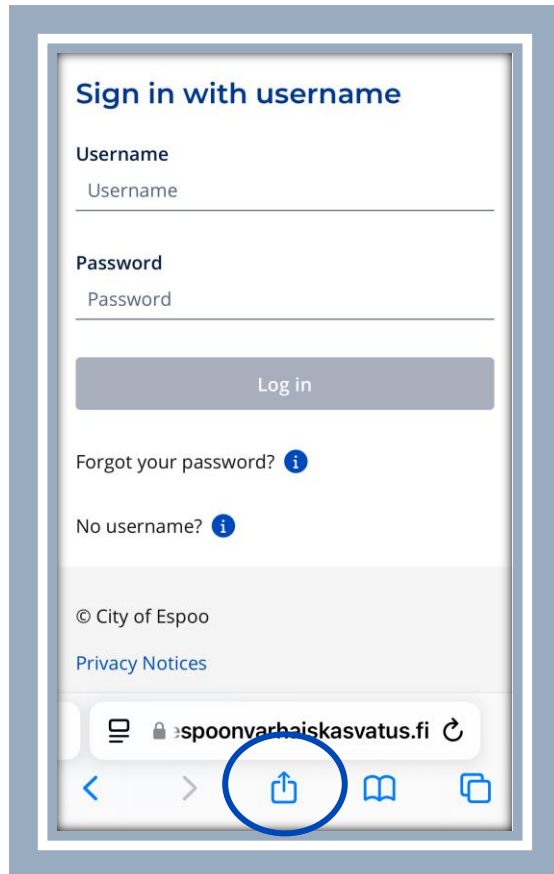

4. You can now find the eVaka shortcut on your home screen.

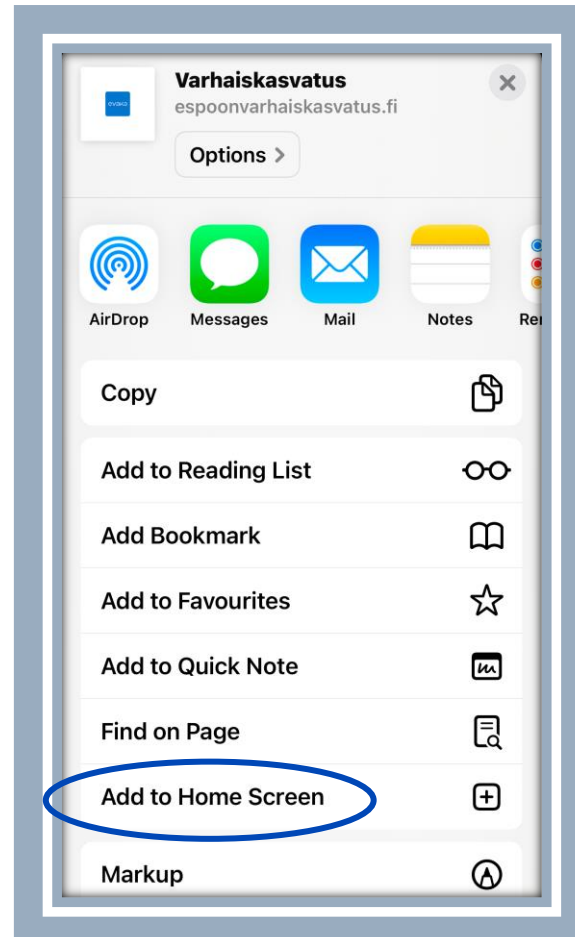

Add a shortcut to your home screen (iPhone)

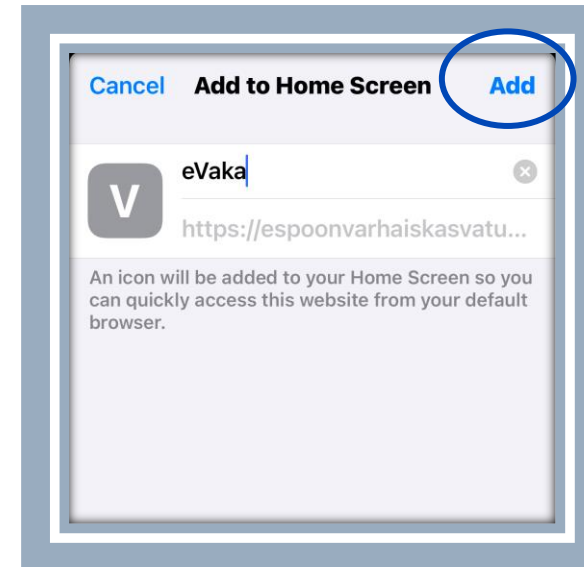

1. Tap the icon at the bottom of the screen.

2. Select 'Add to Home Screen'.

3. Name the shortcut. Select 'Add'.

4. You can now find the shortcut on your home screen.
