

Retail licence application for nicotine products / Notification of discontinuation of sales

(Medicines Act, section 54a)

Espoo Region Environmental Health Services

Espoo Region Environmental Health Services grants retail licenses for nicotine products under section 54a of the Medicines Act to retail stores, kiosks, service stations and restaurants that sell tobacco products in the Espoo, Kauniainen and Kirkkonummi area. A licence can only be granted for a sales outlet that also has a retail licence for tobacco products.

A fee is charged for the processing of an application in line with the price list approved by the Espoo City Board. In addition, retail licence holders must pay an annual supervision fee. Espoo Region Environmental Health Services must be notified without delay of any changes to the information provided on the licence application or the discontinuation of sales.

Descriptions

The storage, retail sale and marketing of nicotine products must comply with the provisions of the Medicines Act. Nicotine products must be stored as instructed in the package leaflets. Products that are past their sell-by date or damaged or otherwise defective cannot be sold and must be appropriately disposed of. Nicotine products can only be sold to persons over 18 years of age. Sales staff must monitor purchase situations. Selling products through automated vending machines is prohibited.
