

APPLICATION FORM

To be used for applicants applying to any of the following schools which offer the IB Diploma programme: Etelä-Tapiolan lukio, Helsingin Suomalainen Yhteiskoulu (SYK), Mattlidens gymnasium, Ressun lukio, Tikkurilan lukio.

This form is to be filled in by applicants who:

- Are applying to preDP and are not in a Finnish comprehensive school that would supply their GPA info into the Opintopolku national application system
- Are applying directly to DP1

Note: Applicants should consult the individual school websites for instructions about specific application requirements (such as possible testing). The same application form + appraisal form should be submitted to *all* schools. The sequencing of schools needs to be identical in each case for the application to be taken into consideration.

I am applying to:

preDP (grade 10)

DP1 (grade 11)

both - if this is permissible (see school webpages)

I am applying to the following schools. Please ensure the same sequence is provided to different schools. Applications identifying only a single school will be disregarded unless this is the sole school to which an application is being made.
