

Pre-primary education absence application

evaka

These instructions show how a guardian can apply for an absence of more than one week for a child in pre-primary education through eVaka.

If you try to register an absence of over one week during the pre-primary education term, you will be instructed to submit an absence application.

Reason for absence

Your application will be sent to the staff responsible for pre-primary education for approval.

☐

I understand that the staff will only mark the absence for my child after the application has been approved.

Cancel

Send

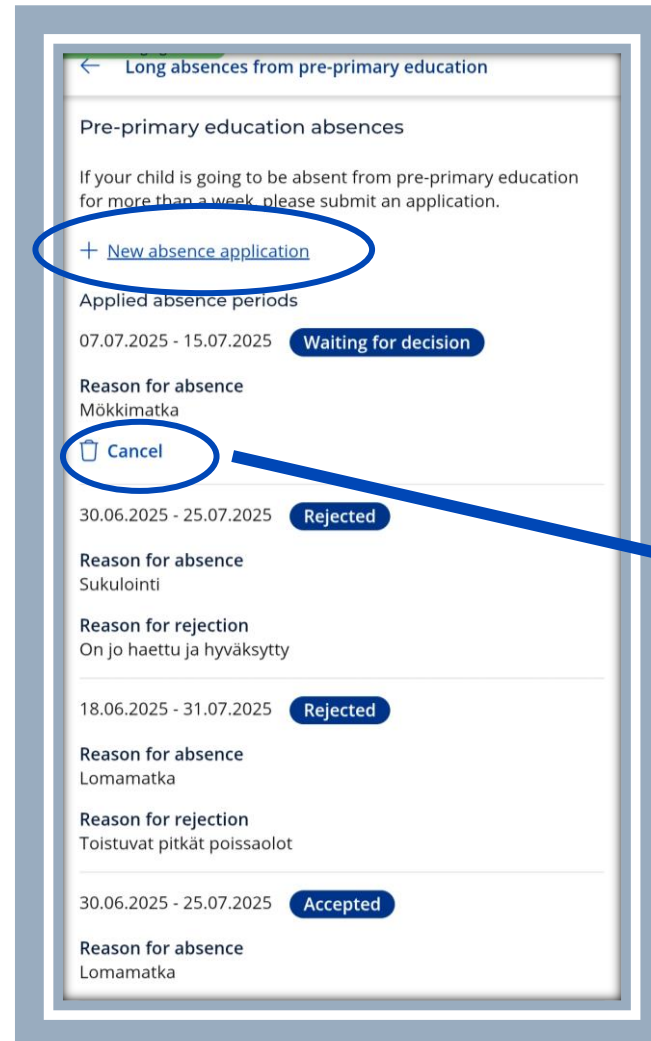

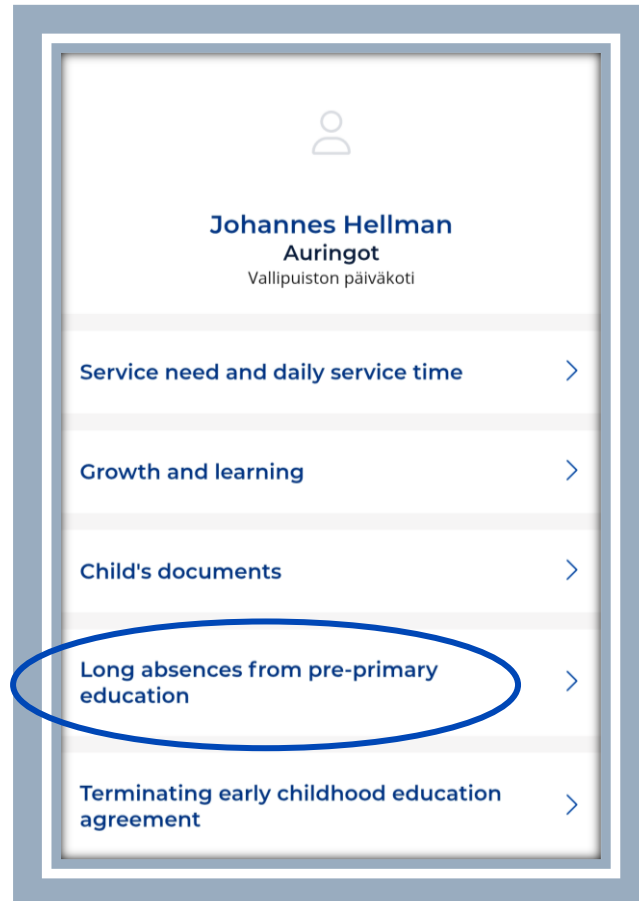

Before you can submit the application, you must:

Indicate the period of absence

Provide the reason for the absence

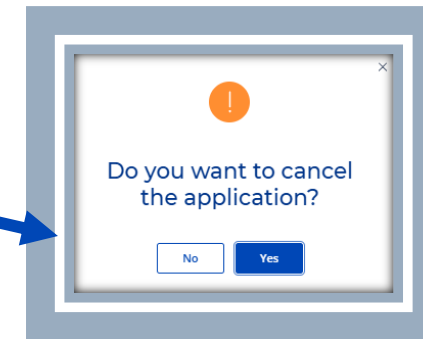

Tick the box confirming that you understand staff will only register the absence if the application is approved.

You can also submit an absence application from your child's page under 'Long absences from pre-primary education'.

For each requested absence period, the application status is displayed: Waiting for decision, Rejected, or Accepted.

An application with the status 'Waiting for decision' can still be cancelled.

You will receive an email notification when the application has been accepted or rejected.

You can read more details about the decision in eVaka.
