Authenticate

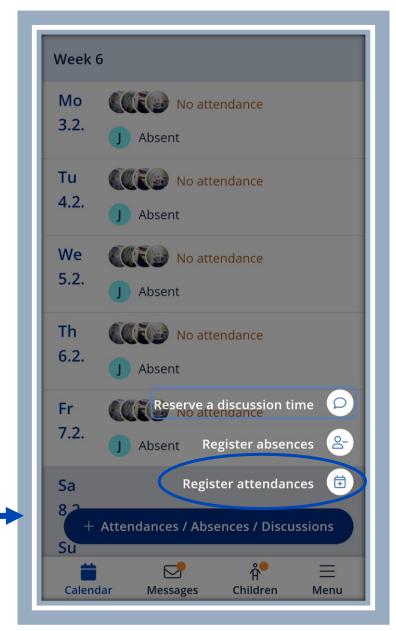

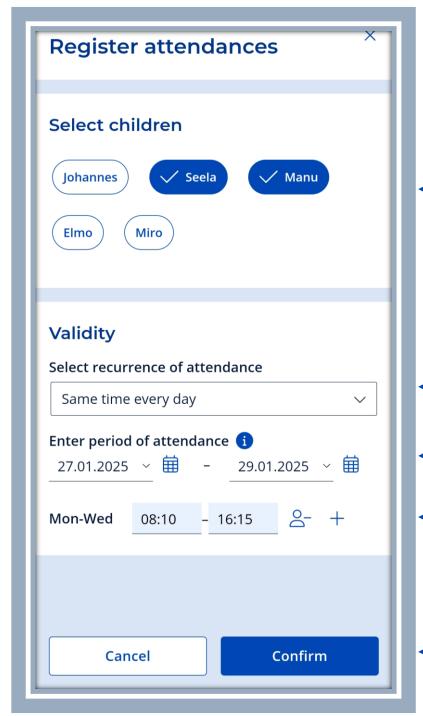

Log in with your personal ID

In the calendar view you can report absence and attendance times for your child.

Register attendances by selecting the children whose attendances you want to report

Recurrence of attendance

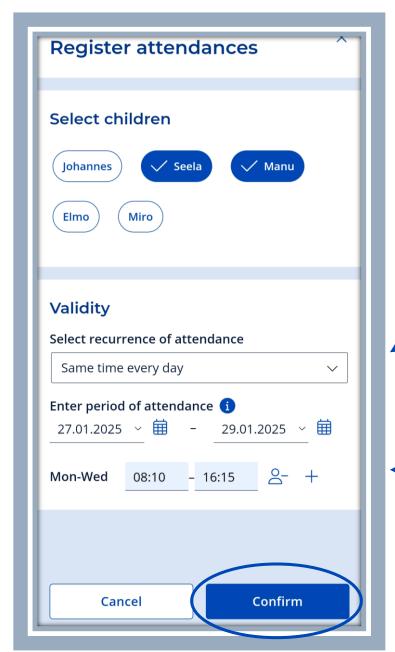

Period of attendance

**Attendance time** 

Confirm

#### Same time every day

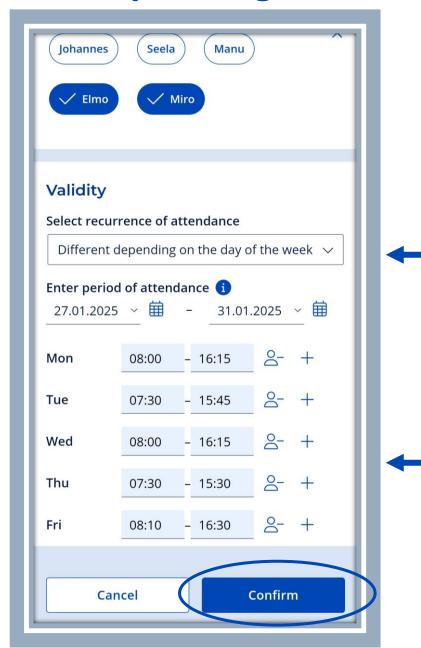

If your child's early childhood education needs are at the same time every day, you can make a reservation for a longer period.

Enter period of attendance and attendance time.

#### Different depending on the day of the week

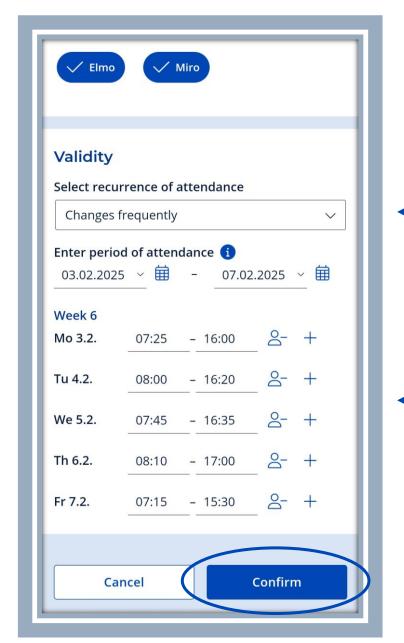

You can also submit an attendance notification according to weekly changing attendance times.

Enter period and times of attendance for each day of the week.

The same attendance times will be copied to all weeks of the period.

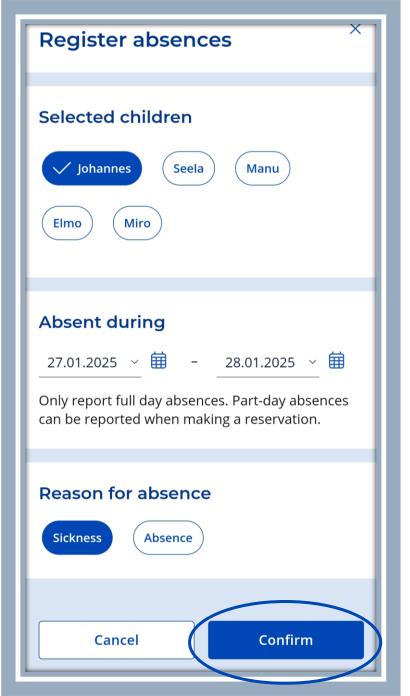

#### **Changes frequently**

You can also submit an attendance notification for times that changes frequently.

Enter period and times of attendance for each day of that period.

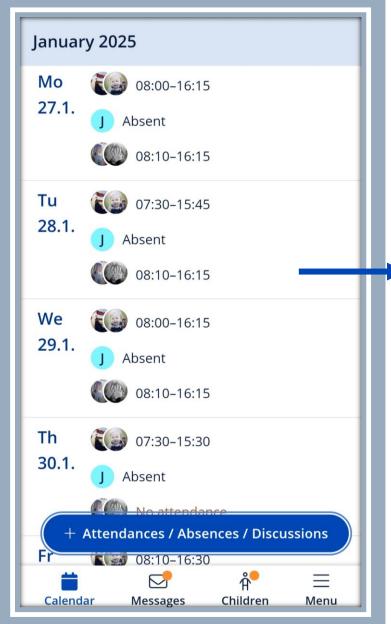

From the same view you can report the child's absence from early childhood education.

Select the children whose absence you want to report

Enter absence period

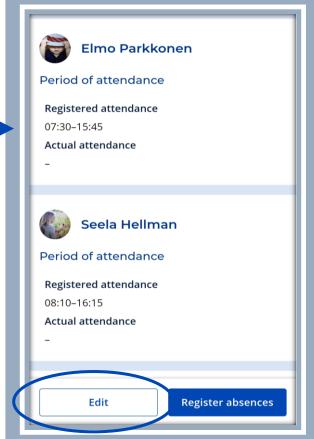

Select a reason for the absence, sickness or absence

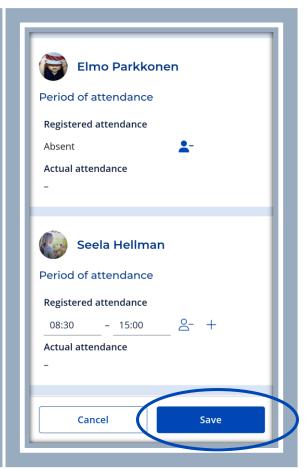

If you select an individual day from the calendar, you can see the reservations made for the day or if a child is reported absence.

You can edit the reservation or add an absence by 6pm on monday of the previous week.
