

# SDG Canvas for Sustainable Development

## 17 Sustainable Development goals

**Goal 1:** End poverty in all its forms everywhere.

**Goal 2:** End hunger, achieve food security and improved nutrition and promote sustainable agriculture.

**Goal 3:** Ensure healthy lives and promote well-being for all at all ages.

**Goal 4:** Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

**Goal 5:** Achieve gender equality and empower all women and girls.

**Goal 6:** Ensure availability and sustainable management of water and sanitation for all.

**Goal 7:** Ensure access to affordable, reliable, sustainable and modern energy for all.

**Goal 8:** Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.

**Goal 9:** Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation.

**Goal 10:** Reduce inequality within and among countries.

**Goal 11:** Make cities and human settlements inclusive, safe, resilient and sustainable.

**Goal 12:** Ensure sustainable consumption and production patterns.

**Goal 13:** Take urgent action to combat climate change and its impacts.

**Goal 14:** Conserve and sustainably use the oceans, seas and marine resources for sustainable development.

**Goal 15:** Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss.

**Goal 16:** Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

**Goal 17:** Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development.

## 1. Describe the phenomenon that is being analyzed, it's objective and why it is important.

## 2. Analyze and the phenomenon and its objective in relation to 17 SDGs.

|    |                                         | positive | neutral | negative | can't say |
|----|-----------------------------------------|----------|---------|----------|-----------|
| 1  | No poverty                              |          |         |          |           |
| 2  | Zero hunger                             |          |         |          |           |
| 3  | Good health and well-being              |          |         |          |           |
| 4  | Quality education                       |          |         |          |           |
| 5  | Gender equality                         |          |         |          |           |
| 6  | Clean water and sanitation              |          |         |          |           |
| 7  | Affordable and clean energy             |          |         |          |           |
| 8  | Decent work and economic growth         |          |         |          |           |
| 9  | Industry, innovation and infrastructure |          |         |          |           |
| 10 | Reduced inequalities                    |          |         |          |           |
| 11 | Sustainable cities and communities      |          |         |          |           |
| 12 | Responsible consumption and production  |          |         |          |           |
| 13 | Climate action                          |          |         |          |           |
| 14 | Life below water                        |          |         |          |           |
| 15 | Life on land                            |          |         |          |           |
| 16 | Peace, justice and strong institutions  |          |         |          |           |
| 17 | Partnerships for the goals              |          |         |          |           |

**3. Select one SDG that best describe what you are going to achieve.**

---

**4. Which dimension of sustainability should be emphasized more? Should something be left out?**

---

**5. What new objectives emerged through the analyze process?**

---

**6. Describe concrete actions that you will implement based on your analysis.**

---

**7. Define indicators that are used to manage and monitor actions.**

---

**8. How will the situation look like in 5 years?**

---

**9. What new ideas and thoughts did analysis process enable?**

---
